Healthcare Financing

Your practice can offer instant financing to your patients so they can get the care they want at the moment they need it.

- ● **Soft Credit Pulls**
Soft credit pulls deliver pre-qualified offers at no risk.
- ● **Simple and Fast**
Our 100% digital platform enables you to transact with your customers quickly and with no paperwork.
- ● **True Multi-Offer**
Select from multiple credit products that fit both your practice's and patient's needs.

Patient Financing. Made Simple.

Your patients choose from your custom selection of products

Help more patients in the moment of need.

How Momnt Works

Send Loan Application

Send your patient a loan application from any internet-enabled device.

Your Patient Gets Offers

After submitting a short digital application, your patient can see financing offers within moments.

You Get Paid

With instant application approval and funding, request payment from your device immediately.

Why Momnt?

— Closed-Loop Funding

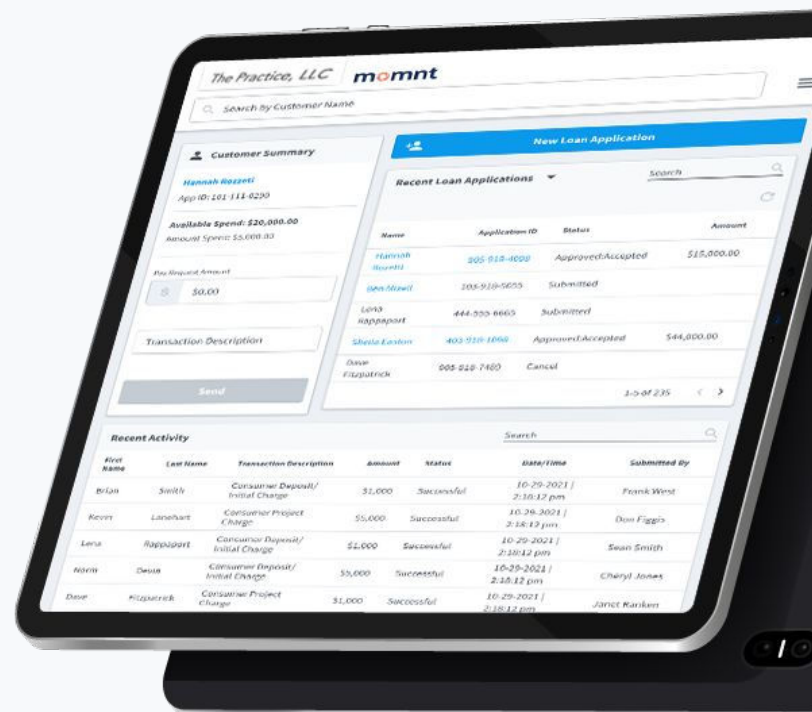

Customers can only spend their Momnt-Approved funds with you.

— Zero Startup Cost

There's no cost to get started with Momnt. Plus our merchant fees are very competitive with no hidden costs.

— Dedicated Support

We have dedicated teams to support both your practice and your patients.

Help more patients in the moment of need. Scan QR code to get started.
